

Pilot Name: East Grand School Business Pathway
School/District Name: East Grand School/RSU 84
Contact: Margaret White

Overview:

This project is designed to offer students the opportunity to gain work experience through an established curricular framework. This will help students build confidence to explore their specific skill sets, as well as helping them formulate their plans for post-secondary education or training. Students will be better equipped with the skills needed to be successful in the workplace, enhancing student employability and giving them the background knowledge and practice needed for them to be successful employees or business owners.

- *Development of PK-12 business pathway and curriculum
- *Community service and mentoring project for middle school students with project funding
- * Feasibility study and community forums for creating local real-world work experience for students
